

Women's Health – Menopause Support

Powder supplement with vitamins & plant extracts

Hormonal changes during menopause create specific nutrient needs. Our blend with MenoBalance pre-mix (vitamins & plant extracts) and fibre supports hormonal balance, reduces fatigue and promotes vitality, gut health and overall well-being. Naturally sweet and refreshingly flavoured.

Benefits

Targeted support during menopause

Plant extracts like red clover and milk thistle

Fruit powder & botanical extract

Vitamin blend to support metabolism

Naturally sweet with stevia

Refreshing Yuzu Flavour

Product Data Sheet

Product name: FS Menopause Powder Lemon Yuzu

Article number: 150000541201

Article status: Development

Product Information

Product description:	Food supplement. Powder to mix with water. With premix SternVitamin MenoBalance (with vitamins and plant extracts). With sweetener. Lemon yuzu flavour.
Mandatory advice:	Do not exceed the stated recommended daily dose. Food supplements should not be used as a substitute for a varied diet. The product should be stored out of the reach of young children.

% NRV = Per cent of nutrient reference values

Serving size: 10 g powder with 150 ml water

For the nutrition declaration, the nomenclature for vitamins must comply with Reg. (EU) No 1169/2011 Annex XIII Part A.

For the nutrition declaration, further nutrients which are not listed in Reg. (EU) No. 1169/2011 Annex XV must be labelled separately from but in close proximity to the main nutrition declaration.

The specified extract value reflects the native extract content and is based on the average data provided by our suppliers.

The nutritional information according to Regulation (EU) No 1169/2011 is calculated by considering supplier and/or literature data of the ingredients.
